

Heartland 2050 2019 Mini-Grants

Call for Projects coming soon!

MAPA is looking for projects that advance the Heartland 2050 Action Plan. Specifically, projects that expand multi-modal choices and walkability, enhance compact growth through nodes and corridors, encourage the efficient use of infrastructure and services.

Projects should reflect the Regional Vision's **Guiding Principles** of promoting equity, efficiency, inclusivity and local control / regional benefit.

Examples of projects include the following. Projects must have a connection to transportation in order to be eligible for Mini-Grant funds:

- Transportation / land use plans
- Neighborhood / town center / small area plans
- Active transportation plans
- Transit plans
- Complete streets / Road diets
- Intersection studies
- Corridor plans
- and more...

Call for Projects	DECEMBER 14th, 2018
Applications Due	JANUARY 19th, 2019
Project Selection	February 2019

Federal Funding Available (MAPA-STBG)

Nebraska \$250,000
